

Fusion® OA Plus Osteoarthritis Knee Brace

Sizes: xs, s, m, m+, l, xl, xxl

The Fusion® OA Plus knee brace provides patients with medial compartment off-loading for unicompartmental osteoarthritis. It features Breg's exclusive adjustable hinge technology, which provides an effective valgus load to the knee. The hinge utilizes Breg's thumbwheel dial design that allows patients to easily adjust the level of offloading without using a tool. Breg's ProForm technology provides an intimate, contoured fit, that keeps the brace in place all day long. Fusion® OA Plus provides medial / lateral, anterior / posterior stabilization and support.
